DISCONTENTED HAITIANS MASSING AT LIBORGN

Rear Admiral Caperton Expects to Disarm Men-Relief Work Goes On.

HAITIAN REBELS DESIRE TO FIGHT U. S. TROOPS CAPE HAITIEN, Haitl, August

-Another detachment of Amercan marines has been landed from the warships off this port. The rebels have refused to disarm, and in some sections have expressed a desire to fight the The people of Cape Haitien are

greatly excited, though no outbreak of any kind has taken place up to the present, Foreigners at Port-a-Paix, Haitlan town thirty-five miles northwest of Cape Haitlen, report that they are being menaced by Haitian rebels, and they have

requested that American forces

be sent to protect them.

Discontended Haitian soldiers, followrs of various leaders, are concentratng at Liborgne, on the north coast of the island and near St. Marc. Rear Admiral Caperton, in command

of the American expeditionary force, reported today that their leaders feared they would be unable to keep the men under control. The admiral said he expected to dis-

arm the men and persuade them to disband. The message said order prevails at its next meeting. at Port au Prince and that the battleship Connecticut was at Cape Haitien. The cruiser Tennessee landed a battalion of the first regiment of marines. under Col. Cole, at Cape Haitien yesinited States

Lynching Investigation by Marietta Officials

Comes to a Standstill MARIETTA, Ga., August 18 .- No fur-

ther efforts to investigate the lynching of Leo M. Frank on the outskirts of this town yesterday had been taken up to noon today. Official opinion here is that Milledgeville, and not Marietta, should be the scene of any investigation other than that conducted by the coroner jury. Marietta citizens awaited with inter

Marietta citizens awaited with inter-est the reassembling of the coroner jury next Tuesday. The jury was em-paneled yesterday soon after Gov. Harris had notified officials here that he would expect the lynching to be investigated thoroughly. Only two witnesses were heard and they simply stated that the body they had seen of Georgia and declaring that it would hanging in the woods near town was that of Frank. The county commis-sioners at a special session authorized south than in any other part of the the coroner to employ extra counsel in republic. The statement follows:

Prison Warden Says Public Knows Facts

ing he could do that would aid in their section. whatever investigation might be made of the kidnaping of Leo M. Frank from the prison Monday night. "I don't know of anything I can do overpowered me and every one connected with the prison that stood in its way. The work was done too quickly, and we were taken too much y surprise to offer resistance.
"I am very glad members of the prison commission were here when the attack occurred. Two of them told me that no one at the prison was to blame.

Public Entitled to Facts.

"The public is entitled to all facts n this case, and if any have been hidden I would gladly give them out The newspapers have told the story correctly as far as I know, and have covered every detail. There is nothing left in my knowledge to be prought out at an investigation. A number of persons went to the prison yesterday to ascertain definitely he exact movements of the mob. Warden Smith said they all were orderly. Prison routine was being performed today as if nothing had happened, he

I know the needs of the sufferers can be ascertained. Gov. Ferguson took up the since it started, and I have read every with line of evidence that was introduced.

"I know that there is not a member of the jury that tried Leo M. Frank who

AT GALVESTON SAFE would change his decision if put to the test again. NEW YORK, August 18 .- According "Georgia is the leading state of the to William H. Parker of this city, the south. Its people cannot be classed with engineer who was in charge of the construction of the Galveston causeway, the damage reported to it was ers, but things had come to a point where very likely the washing away of earth-

very likely the washing away of earth-filled approaches about 100 feet in length at both ends. Mr. Parker said set aside by one man, and the people felt that it was up to them to take the law into their hands.
"While we people of Georgia deplore this deed of Monday night, we know what s behind the feeling that prompted it, and want it understood that it is simply mphasizing the fact that when it vill not go to avenge and to protect.

Only Two People Implicated.

cated in the death of Mary Phagan. I know the negro did not commit the deed, and am positive that 75 per cent of the people of Georgia are convinced that the man lynched Monday night committed the deed, and they are on the ground and ought to know.
"As mayor of Atlanta I have received tons and tons of letters and petitions and requests asking that something be done for Frank, and they have all gone into the waste basket, for, like all Georgia people who are in a position to get at the truth, I know the facts. I know Jack Slaton, have known him

for thirty years, ever since he was a young man. I have been friends with him, and while I hate to say it, I would not advise him to return to Georgia for a year—if ever." Frank Planned to Push His Fight for Freedom,

His Prison Letter Shows Frank's brother, A. E. Marcus, David I. CHICAGO. August 18 .- A letter written by Leo M. Frank shortly after his Shortly after 7 o'clock last night the shortly after 7 o clock last night the undertaking establishment was closed and a cordon of police stationed. No rice Klein, a deputy United States marine was allowed to approach within shal here, has been made public by Mr.

was allowed to approach within fifty feet of the building.

When the place was closed the crowd was awaiting a chance to get into the undertaking rooms. The police immediately dispersed the crowd and within a short time only a few scattered gatherings were to be seen. Many, however, walked past the establishment, but were not allowed to halt.

Men and boys did a thriving business selling nosteard photographs of Frank's selling nosteard photographs of Frank's selling postcard photographs of Frank's body as it swung from the tree to which it was found hanging near which it was found hanging near self to the new environment. My

health is much better. I expect to improve both physically and mentally. The warden and his staff are both kind and solicitous. After a breathing space we will again take up the fight which will eventuate in vindication and liberty.
"With every good wish I am cordially "LEO M. FRANK."

AS BLOT UPON GEORGIA

Secretary Daniels Declares South Will Condemn Act—Assails Lynch Law.

Secretary Daniels has issued a state-

"I am shocked beyond expression at the lawlessness of the Georgia mob. It is the worst blot upon the name of the state. Every good citizen must deplore it. It will be denounced more gincerely as to Frank's Seizure in the south than in any other part of the republic. The great bulk of south-MILLEDGEVILLE, Ga., August 18 .ern people know that such instances, Warden J. T. Smith of the state prison perpetrated by the few and indorsed here said today that he knew of noth- by a small minority, works injury to

No Excuse for Lynch Law. "There is never any excuse anywhere

for lynch law. In this case, there were do you?" Mr. Smith said, "The mob thousands of the best men in Georgia who believed he was guilty. If guilty he ought to have paid the penalty of the heinous crime, the worst that man an commit. The governor, after long deliberation, decided to commute the sentence to life imprisonment. Those who thought the governor should have let the sentence stand cannot even advance the poor plea that Frank had escaped punishment. The governor's action changed the sentence from death action changed the sentence from death 3034 M St. N.W. Parlor for Funerals. to imprisonment for life. The punish ment of life imprisonment is the mos serious sentence that can be impose short of execution. If guilty, Frank would be daily punished for his crime for life imprisonment is a living death

Honor Demands Action. "No man is safe when a mob takes the law in its own hands. I have no

doubt the Governor of Georgia wil employ every possible agency to discover the mob-murderers and bring them to trial and punishment. The honor and fair name of Georgia demand this. The case has become one of nation-wide interest, and the eyes of all the civilized world, standing aghast at the crime of the mob, will look to Georgia to punish the criminals, who under the cover of night have commit-ted a crime that cries aloud for sever-est punishment."
